# School Clothes

## THE COLOURS OF OUR COMMUNITY

Dear pupil, dear parents,

For our Schloss family, school uniform clothing is an expression of the values that unite us and an outward sign of our togetherness. Our students are proud to belong to this community, to identify with it and to show this to the outside world. This is particularly important to us because our students do not only have very different personalities – with an age range of about 10 to 19 years, they are in very different stages of development in their childhood and adolescence – they also come from over a dozen different nations and cultures. Against the background of this heterogeneity, school clothing helps to make visible what we share, and to remind us at all times to treat one another with tolerance and respect. The school coat of arms that marks our school clothes reminds us that these values have been brought to life at Schloss Neubeuern for many generations.

Moreover, school clothing is part of our educational concept: in everyday teaching, clothing should not distract, but support our students in concentrating on the essentials. Thanks to the dress code, they don't have to worry about individual outfits, whether their own or anyone else's.

Last but not least, the way we dress is also an expression of appreciation of the things we do together: learning and developing our own personalities. That is why students, teachers and educators dress in such a way that it is clear that we are working together on an extremely important and meaningful task!

With this in mind, we invite you to get to know our school clothes in this brochure, learn how to purchase them and familiarise yourself with the binding dress code in our Schloss community.

## CORPORATE DESIGN

### **Schloss Neubeuern school uniform with school emblem**

The school uniform is kept in the color spectrum of the corporate identity of Schloss Neubeuern: A dark and a light blue combined with shades of gray, white and a light beige. All items of clothing bear the embroidered or woven castle coat of arms, which is part of our school history. The coat of arms with the castle keep and kestrel stands for the historical values of Neubeuern Castle, which are still practiced today.

Our timeless, minimalist boarding school logo with the castle tower can sometimes be found as an addition, for example on the hoodies, and on its own on ties and silk scarves.

**The range includes the following:**

**For men**

- dark blue/white polo short-sleeve
- polo in dark blue/white long sleeves
- trousers in grey/beige
- beige shorts
- dark blue pullover
- dark blue tank top
- dark blue blazer
- college jacket
- dark blue scarf/ short or long
- light blue tie

**For women**

- dark blue/white polo short-sleeve
- polo in dark blue/white long sleeves
- trousers in grey/beige
- grey/beige skirt
- knee-length grey skirt
- dark blue cardigan
- dark blue pullover
- dark blue tank top
- dark blue blazer
- college jacket
- dark blue scarf/short or long
- silk scarf

### School blazer

The blazer should not be missing from any wardrobe. On cold days, it can be worn over sweater vests or pullovers. Boys especially like to wear blazers on special occasions where jackets are mandatory.

### Scarf, short or long

This pleasantly soft scarf keeps the wearer warm when the weather is cold, and therefore comes highly recommended.

### Tie

This tie, designed by Aigner, which comes in light blue and with the tower logo is the ideal complement to the blazer with its coat of arms.

### Silk scarf

We had Aigner design a special silk scarf for young ladies. Decorated in light blue and beige and featuring a subtle tower logo, it can be perfectly combined with school clothes and suits many different occasions.

### College jacket

The extremely popular college jacket is available in sizes S, M and L. It can be ordered at the beginning of the school year. Only remaining stocks will be available at a later date.

## SOMETHING SPECIAL FOR YOUR FREE TIME

These clothes may not be worn in class: but our students like to sport them in their free time.

### Hoodie, Zip Hoodie and Joggers

These casual garments are available in light grey or dark blue and in sizes XS/S/M/L/XL/XXL. Like the college jacket, they can only be ordered at the beginning of the school year.

### Cap and hat

Navy with school coat of arms.

## TAKING RESPONSIBILITY FOR TOMORROW

Because sustainability is important to us, as it is to the coming generations, we only buy our school clothing collection from well-known manufacturers who provide products of excellent quality.

We also urge you not to throw away discarded school clothes, but to hand them over in the fitting room. If necessary, we can provide interested pupils with suitable second-hand items free of charge. Alternatively, we can donate them to charity.

SMART OFFICE WEAR IN Q11 UND Q12

### **We start from our students' sense of style**

Pupils from grade 11 are also allowed to wear so-called „smart office wear“ instead of the school clothing described here, as is worn at British boarding schools or by apprentices at banks or law firms. Our employees are also guided by this dress code.

Smart office wear includes a men's jacket, shirt, breeches and leather shoes. There is no obligation to wear a tie, and the suit may also be replaced by a matching outfit.

For ladies, the possibilities include, for example, trouser suits, skirt suits or matching outfits, in which extreme cuts and miniskirts are not permitted.

## UNSER DRESS CODE

The following rules are part of the school and boarding school regulations and must be complied with by our students. Violations will be punished appropriately.

School time and official occasions

At breakfast, the students appear in school clothes or smart office wear and usually wear them until 4 p.m., in particular

- in class,
- at seminars,
- at the castle panorama and academy,
- in the case of external social activities and
- on excursions to special facilities, where they are representatives of Schloss Neubeuern.

The school clothes are also to be worn at all official events, e.g. at the International Weekend, at the parents' ball, as part of an open-door day or at the summer festival.

Exemptions from compulsory school clothing

On the following occasions, pupils may wear their own leisure or appropriate functional clothing, provided that it is neat and well-maintained:

- Guild events
- Excursions to leisure destinations
- Sporting events
- In the case of craft and artistic activities, teachers and mentors can approve further exceptions according to pedagogical requirements.

### **During free time**

there is no dress code for pupils, but provocative or torn clothing at Schloss Neubeuern is generally not permitted.

## IMPORTANT DETAILS

### Shoes

For school, black leather shoes are worn (lace-up shoes, slippers, ballerinas, collegiate shoes, pumps). Black boots/ankle boots for women may reach below the knee and can be worn with skirts or under trousers.

From Pentecost to the autumn holidays, men are also allowed to wear boat shoes in brown, blue or black, and women may wear shoes and strap-fastened pumps.

As a comfortable shoe variant, high-quality sneakers made of leather are permitted if they are completely white, have discreet soles and a brand logo is not visible or is unobtrusive.

Sports shoes, sandals or flip flops are generally not permitted.

### Belt

In principle, a classic leather belt without rivets or conspicuous buckles and logos is worn with trousers.

### Jewellery

It is not allowed to wear jewellery such as long, colourful necklaces, earrings, anklets or unusual hair bands in addition to school clothing.

### School Coat of Arms

The coat of arms on school clothing must always be worn visibly and must not be covered by hoodies, cardigans, vests or other clothing.

### Skirts

The skirts from the school clothing range must not be worn shortened.

### On cold days

School clothing should not be combined with other clothing, so it is advisable to keep a scarf or blazer ready when the weather gets cooler, to be worn in addition to a polo or sweater if necessary.

## PURCHASING SCHOOL CLOTHES

### Trying on and ordering

New pupils can try on their clothes on the day of arrival, make a selection together with their parents and then order in sufficient quantities. The boarding school students are brought into the room on the same day so that they can wear suitable school clothes on the first day of school.

Day students can arrange a try-on date for Wednesday or Thursday before school starts. Alternatively, the appointment must be made no later than the first week of school.

During the school year on Tuesdays and Thursdays from 9.30 am to 10.30 am in the school clothing store (basement, middle building), school clothes may be purchased.

### Prices

The current price list can be found in the Schulmanager-Online (SMO) portal. If parents have granted their child the right to purchase clothes during the school year, the child's orders are binding and will be charged to the parent's account upon delivery.

If there is no order authorisation, the parents will be contacted with each order to request their consent.

### Change service

A service for small alterations is available for students, by arrangement, on the premises. For more extensive changes, including to clothes for parties and balls, we can recommend good establishments in the area.

### Washing instructions/care

Students are responsible for cleaning their own clothes. The following must be observed:

- Pullover, sweater vest, cardigan, scarves, hats and college jacket: wool wash, 30°C
- Trousers and skirts: wool wash or easy-care, 40°C
- School clothes are generally not suitable for the dryer and should be hung damp on hangers or dried on a drying rack in shared bathrooms.
